

**Mark Adams, Senior Executive Leader,
Strategic Intelligence, Australian Securities
and Investments Commission**

Mark leads the team responsible for ASIC's economic and risk analysis as well as driving ASIC's data science agenda. Mark also coordinates ASIC's Innovation Hub.

Mark has held a range of senior executive positions at ASIC including lead of ASIC's competition in equity markets project and the Exchange Market Operators, Regulatory Policy and International teams.

Between 2012 to 2014, Mark held secondments as Principal Adviser, Financial System Inquiry Secretariat and Director, Strategy, Research and Risk, Ontario Securities Commission.

Prior to joining ASIC, Mark worked in the corporate and superannuation areas of a national law firm.
