Dear Senator,

Re: Reform of the Freedom of Information Legislation

I am glad that the Government is fulfilling one of its commitments to the Australian community by suggesting reforms to the *Freedom of Information Act 1982*.

The submissions of the Litigation Law & Practice Committee of the Law Society of NSW on the two draft Exposure Bills are enclosed.

The Law Society looks forward to legislation being introduced to rectify the defects in the current legislation.

Yours sincerely,

Joseph Catanzariti
