

**David Bushby**  
**Managing Director, InCounsel**

David spent half his career practising law in-house and in private practice, before trading in his suit and tie for the startup life in 2009. Since then, he has worked in, managed and launched multiple startups, primarily focused on the legal sector both here and in London. David is the Managing Director of lawyer marketplace, InCounsel and has featured over 700 legal tech startups from across the globe in his weekly Law Hackers newsletter.
