

**Caryn Sandler**  
**Partner + Chief Knowledge & Innovation Officer**  
**Gilbert + Tobin**

Caryn leads the Gilbert + Tobin Legal Service Innovation team and G+T Innovate. These teams provide specialised services to support legal service delivery, and innovate to deliver new tools and services benefiting Gilbert + Tobin's practice and their clients.

Caryn's role encompasses responsibility for lawyers and business professionals working across Transformation, Legal Informatics, Legal Project Management, Knowledge Management and GTDocs.

A former practising corporate lawyer, Caryn brings 16 years of experience in legal, knowledge management, legal technology, change management, transformation and solution design to her role. Caryn works with a variety of ASX 20 in-house legal clients through G+T Innovate to explore opportunities for legal triage, better workflow management and automated service delivery.

Her team's expertise and execution of successful innovative projects are recognised by the market. Under Caryn's leadership, Gilbert + Tobin was named Most Innovative Law Firm in Asia-Pacific 2019 at the FT Innovative Lawyers Awards and Most Innovative Firm for the 3rd year in a row at the Australian Financial Review Client Choice 2020 Awards, researched by Beaton. Caryn won 'Innovator of the Year' at the Lawyer's Weekly Women in Law Awards 2019.

Caryn has a passion for expanding the focus and content of legal education to enable lawyers to succeed and thrive in the changing legal environment. Caryn has been working with universities and other educational institutions to challenge the current curriculum and consider the future capabilities required of lawyers and the changing nature of legal work.
