

Linda-Rose Daya
Head of legal Project Management and Design
Gilbert + Tobin

Linda is G+T's expert on Agile and Legal Project Management, and an expert facilitator of legal design workshops. She combines 10 years of project management, design thinking and managerial experience and 3 years of innovation and technology strategy leadership, all built on top of over 13 years' in-house and private practice legal experience. Linda stands out from the market by embracing diversity and innovative thinking to foster a stimulating team environment. Linda has a demonstrated ability to continuously innovate, design and deliver desired transformational project outcomes. Linda holds a Master of Laws from the University of Cambridge, is an Admitted Advocate of the High Court of South Africa, a past member of the Association of Corporate Counsel, New Zealand; and a current member of the Australian Institute of Project Management (with CPPM). Linda is certified in Agile Project Management, Agile Coaching, Effective Stakeholder Engagement, and Prince2 Foundation. She is a Lean Bootcamp graduate, and has also successfully completed two Design Thinking Programmes.
