

**Adjunct Associate Professor Sara Rayment
Founder of Inking Legal Design**

Sara is the founder of Inking Legal Design, a consultancy that reimagines legal services through design, law and technology. Having worked as a lawyer for over 12 years, Sara blends legal expertise with human centred design principles to provide solutions for clients. She is also an Adjunct Associate Professor at the University of Newcastle and a guest lecturer at Stanford's [d.school](#). Sara was shortlisted for the Financial

Times 2021 most innovative individual.
