

## Olivia Irvine

Hazelbrook Legal

Olivia Irvine is a lawyer with Hazelbrook Legal, a NSW Young Lawyers Executive Councillor, the Communications, Entertainment and Technology Committee Vice Chair, and a nearly qualified canoe instructor.

You may remember her from last year, but she's back because she is hoping for a chance at the national title, with last year's hopes dashed by some sort of global event.

When she's not working, Olivia likes to read. Her favourite top titles include 'Personal Property Securities in Practice' and the yahoo answers page on How To Be Funny (with pictures).

Olivia's calling in life is managing the busy schedule of her cat, Sheba. Sheba did not provide comment on Olivia's comedic talents.
