

Matt Anderson

Lawyer, Lander & Rogers Lawyers

Matt joined Lander & Rogers Lawyers in Sydney as a graduate in 2019 and has since settled in the firm's Real Estate and Projects team as a solicitor. Matt grew up on his family's cattle farm in North West NSW and maintains strong connections with his rural background. Over the last few years, Matt has been lucky enough to split much of his time between working from the firm's Sydney offices and returning to the farm to work remotely. Matt's experience juggling a legal career with his interests in his rural community led him to join the Rural Issues Committee at the start of 2021.
