

NEW SOUTH WALES

10 September 2021

CHIEF MAGISTRATE'S MEMORANDUM NO. 22 - COVID-19

This Memorandum replaces all other previous COVID-19 memorandum.

Following announcement by Government in relation to the lifting of lockdown requirements in some Regional New South Wales locations I make the following directions until and including 1 October 2021:

These directions are divided into sections. Firstly, there are directions that apply across the board in all Courts. Secondly, there are separate directions for defended hearings which vary according to the Court at which the matter is listed. Thirdly, there are other directions relating to small claims, sentence matters, and other particular issues.

The following direction applies in all Local Courts

1. Masks

Fitted face covering or masks ("masks") are now required to be worn in all courts) until further notice.

- To ensure the safety of all, court participants must wear a fitted face covering or mask as a condition of entry to Local Court premises. Any participant relying on an exemption pursuant to Clause 17(2) of the Public Health order must provide evidence of such physical or mental health illness or condition, or disability, that makes wearing a fitted face covering unsuitable. The simple assertion of an exemption will not suffice. Where the exemption sought is based on medical grounds written support from a medical or other relevant practitioner or the relevant statutory declaration specifying the physical or mental illness or condition, will be required.

Please note the public health order does allow for exceptions, including:

- A person may remove a mask when at work and the nature of the person's work means clear enunciation or visibility of the person's mouth is essential.
- A person working alone in an indoor area, like an office (or chambers), is not required to wear a mask until another person enters the area.

Any applicable exceptions are to be managed by the presiding magistrate.
