

# Thought Leadership - Getting to 'net zero': The role of the legal profession in promoting a just transition

Monday 29 November 2021 – 4.30pm – 6.00pm

## Dr Cameron Kelly

### General Counsel, Australian Renewable Energy Agency

Dr Cameron Kelly is the General Counsel at the Australian Renewable Energy (ARENA). Prior to joining ARENA, Cameron was in house counsel for a major renewable energy project developer/sponsor in the Middle East, where he advised on almost 500MW of project financed utility-scale onshore wind and solar PV projects in Jordan, Egypt, Turkey and Morocco.

Cameron has significant private practice experience in the major projects, construction and power sectors, and

completed his PhD in international comparative law with the Centre for Climate Change, Energy and Environmental Law at the University of East Finland.
