

Shelby Timmins

Principal, Divorce Done Differently

Shelby is the principal in addition to the heart and soul of Divorce Done Differently, a boutique family Dispute Resolution practice providing outside-the-box options for clients who want to do divorce differently. She believes in creating a space where people can have difficult conversations in constructive ways. Having worked as a family lawyer for over a decade, Shelby Timmins understands first-hand the challenges of people choosing to divorce in an acrimonious way.
