### Principal and Founding Partner, Danny King Legal

Danny King is Principal and Founding Partner of Danny King Legal, and was named Managing Partner of the Year at the Australian Law Awards in 2021. Danny holds a Bachelor of Laws with First Class Honours from the University of Technology Sydney.

Establishing her sole practice in 2011, her firm has expanded into a successful boutique employment firm, with three partners, six solicitors, and a strong reputation for both employer and employee representation. In 2021, Danny King Legal was recognised as Boutique Diversity Firm of the Year, an accolade that Danny is particularly proud of as it reflects more than just her business' successes, but its culture of inclusion and embracing difference. In addition to her legal work, Danny is a well-respected educator and sought-after speaker for CPD and media engagements. She is also a long-standing Employment Law Committee member for the Law Society of NSW. Danny has been recognised as a pre-eminent practitioner by Doyle's Guide, where she has been recognised since 2016, notably making both the employer and employee lists for NSW and nationally. Herself having neurodivergent traits, Danny is particularly keen to support a future in the legal industry where neurodiversity is better accommodated.
