

FLIP Buzzwords: Metaverse

Wednesday 31 August 2022 – 3.30pm – 5.00pm

Dr Max Parasol

Research fellow, RMIT Blockchain Innovation Hub

Max joined the RMIT Blockchain Innovation Hub as a researcher in 2021. Before joining RMIT, he was at UNSW Sydney as a FinTech Research Fellow with research focused on DeFi, regulating Crypto Exchanges, blockchain innovations and China's central bank digital currency.

Max is a qualified lawyer with extensive experience in Private Equity, where he's involved in setting up businesses, investment analysis and capital raisings. He has practised as a lawyer in Shanghai, Perth and Melbourne.

Max holds a PhD surveying global tech ecosystems. In late 2021, he published a book entitled: "AI

Development and the 'Fuzzy Logic' of Chinese Cyber Security and Data Laws" (Cambridge University Press). He is also an Adjunct at UNSW Business School. He speaks, reads & writes Chinese. He writes regularly for Cointelegraph asking hard questions.
