

# Staying Well in the Law: Boost your Financial Resilience

Wednesday 17 May 2023 – 12.30pm – 1.30pm

## Susan Wahhab

### CPA, Financial Strategist and Author

Susan Wahhab is a leading financial strategist and thought leader in financial wellbeing. Susan has 30 years' experience in the Accounting and financial services industry and is the founder of Accounting Firm, Money Intelligence. She founded her Accounting practice at the age of 25 in 1995 when there were hardly any women partners in Accounting firms. Since then, she has been an advocate and supporter of small business owners, in particular women in business.

Susan is the author of the transformational and practical book, Money Intelligence® – Anchored in Values. Susan has a Bachelor degree in Business major Accounting, Master degree in Commerce major Accounting, Diploma of financial planning and Diploma of Positive Psychology. She founded Money Intelligence Academy to provide financial education to Australians in order to help raise society's money intelligence level. She also founded not for profit organisation, Money Intelligence Foundation which aims at making financial education freely available to disadvantaged communities.

Over the past 25 years, Susan has presented to thousands of people across various networks and organisations including BPW Australia, Westpac Women in Business, TEDX Parramatta, United National Association of Australia, EmpowHer, Multicultural Expo and London Real Academy. She is highly sought after for financial advice, being featured in newspapers and magazines including SMH, 2SER Radio, New Woman, Daily Telegraph, BRW, Business Radio and Virgin Australia magazine. Susan's message aims to inspire people to be free from financial worry and anxiety. Her motto is: "If you have power over your personal finances, you are free".
