### Tom Dreyfus

#### CEO and Co-founder of Josef

Tom Dreyfus is the CEO and co-founder of Josef, a legal automation company that works with leading law firms, legal assistance organisations, corporate and government legal teams.

Tom began his career as a commercial litigator in Melbourne, and then served as an associate to Justice Keane at the High Court of Australia.

He has taught at Melbourne and Monash Law Schools and completed his Masters at Columbia Law School in New York, where he focused his studies on the application of machine learning to the law.

Alongside his role at Josef, he is currently the Vice President of ALTA, the Australian Legal Technology Association, and a frequent speaker on the impact of legal technology on the practice and business of law.
