

# In-House Corporate Lawyers Forum: Data Security and Privacy – What All In-House Lawyers Should Know

Wednesday 13 November 2024 5.30pm – 7.00pm

## Lucy Mannering

Partner, Cyber - Technology and  
Transformation, Deloitte

Lucy is a cyber, privacy and data breach specialist with extensive experience in financial services and government.

Previously a senior executive in the NSW government, the group privacy officer at AMP, and the head of financial crime and privacy at CBA, as well as leading the CBA group wide privacy and data breach functions, Lucy had deep experience and relationships in industry and the public service that she brings to her clients.

Lucy holds a bachelor of Laws, a graduate certificate in legal practice, and is a member of the NSW Law Society's Privacy and Data Committee, and is also a Melbourne University Press published author.
