

# 2025 Ready for Practice Day

Monday 3 March 2025

## Linda-Rose Daya

### Head of Legal Project Management (LPM) and Design, Gilbert + Tobin

Linda-Rose is a qualified lawyer with a background in litigation, and 8 years in an in-house role. About 8 years ago she moved into a project manager role and has been credited across multiple complex engagements as a “safe pair of hands”.

Linda-Rose is Gilbert + Tobin’s lead Agile and Design Thinking consultant to clients and business partners. Linda employs Prince 2, Agile project management, Design Thinking and LEAN to foster and grow project skills and ownership, and has a demonstrated ability to continuously innovate, design and deliver desired project and overall programme outcomes.
